

Insulin Vial Coozy

Item #C008

Materials:

Worsted weight yarn, any color
Size F/5 (3.75mm) crochet hook

Gauge:

Diameter after round 3 is 1.5”.

This cozy is designed for a vial 2” tall with a 3” circumference. If you have a vial handy, you can try out the cozy as you go to make sure the size is correct, and if not, switch to a different hook size, or make your stitches looser or tighter as needed. Note that using this hook size with worsted wt yarn is a little stiff, making the stitches very tight and a little hard to pull through loops, but this makes the container more solid and protecting.
